

REMARKS

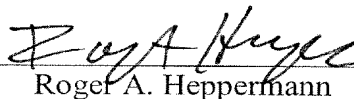

Upon entry of this Amendment, claims 1, 5-13 and 16-30 are pending and at issue in this application, with claim 1 being the only independent claim at issue. The above amendments find support in the specification as originally filed. As a result, no new matter is being added hereby.

Applicants submit that this amendment places this application in condition for allowance. Reconsideration and withdrawal of the rejections and allowance of the claims are therefore respectfully requested. However, if there are matters that can be discussed by telephone to further the prosecution of this application, Applicants respectfully request that the Examiner call Applicants' attorney at the number listed below.

Respectfully submitted,
